Mark,

Per your request, attached is a copy of the response to comments resulting from the public hearing held on August 31, 2020 in regards to Supreme Beef's NMP. There is also a copy of the letter issued on October 5, 2020. Please let me know if you have any questions.

Thanks

Joe

Thank you for your interest and input regarding the Nutrient Management Plan for the Supreme Beef, LLC open feedlot operation located in Monona, Iowa. On October 5, 2020, a revised Nutrient Management Plan was approved by the DNR with a reduction of animals and removal of multiple application fields. The approval letter is attached to this email.

Also attached to the email is the DNR's response to the written and verbal comments received during the public comment period.

If you have questions or concerns regarding the operations or compliance at the facility, please contact DNR Field Office 1 at 563-927-2640.

Thank you,
Kelli Book
